We plan to arrive at the Hermits early on Wednesday morning local time (gmt+10). Hope to do some repair workon the multiband verticals while we are here. 73 Derek Hope this answers some questions about "when". 73, Al WA4EWV

Denmark, OZ. The largest Amateur radio meeting in Denmark, Amateur Meeting Fyn (referring to the Isl. of Fyn, abbreviation in Danish ATF) is Sunday the 2nd. 8.30 - 15.00 UT. The UK Six Metre Group will be represented with a stand. This stand will be manned with OZ3RE alias M1DUD Robin (which is flying in Saturday) and OZ6OM.

Besides representing the UKSMG, we will operate a station to
"prove" Six meter is always open. So naturally we have to rely
on JT6m: One sked is made at 12.00 UT with the "missing" team
member M3VCP / 2E0IAF Simon, who had to stay in UK. Otherwise
we will work random round 50.236 MHz ï¿½ QRN with split TX to
50.230 while CQï¿½ing. We will TX 1st. period regardless direction.
Call in use will be OZ50MHz, we are situated in JO55EI at the
southern part of Odense. SOURCE: 50 MHz DX News by OZ6OM
